and the tradesperson is certified.**

Information received from the Associated General Contractors and Building & Construction Trades Council.

Wage Comparisons for Careers in the Construction Industry

Job Title	Cost	1st Year Wage	10th Year Wage	10 Year Total
Electrician	+78,000	31,000	40,448	435,240
Lawyer	-36,750	30,000	70,738	446,942
Teacher	-21,000	22,000	35,000	301,010
Nurse	-21,000	24,000	58,080	389,400
Ironworker	+78,000	33,000	43,057	458,289
Reporter	-21,000	16,000	37,727	247,635
Dentist	-42,000	30,000	70,738	461,690
Bricklayer	+78,000	30,000	39,143	423,716
Accountant	-21,000	25,000	58,948	398,742
Engineer	-21,000	30,000	51,875	348,375
Architect	-21,000	18,000	42,443	281,215
Equipment Operator	+78,000	30,000	39,143	423,000
Zookeeper	-21,000	20,000	47,158	314,794
Medical Doctor	-175,000	50,000	117,897	664,486
Estimator	-21,000	18,000	42,443	281,215

All of this is based on University of Wisconsin tuition etc. If you go to a private college, your college costs will be approximately double.

Education costs have been offset by assumed earnings from part-time jobs during college summers.

Professional salaries were adjusted upward 10% per year, while construction trades were given a 3% wage increase per year.

Income for trades does not include persons who are promoted into supervision or management position.
